OUR SUPPORT STORY

Sudip Saha a bright student live with his parents Pradip Saha(Father) and Laxmi Saha(Mother) in West Bengal. Pradip Saha works as a labourer and makes very little money on a monthly basis because of the non-availability of regular work post-Covid-19. Laxmi Saha is a housewife. **Sudip** studies in 9th standard, in a government school of West Bengal. Sudip loves studying. He covers a long distance for going to his school every day. Pradip Saha's monthly income hardly makes up the end needs and it becomes difficult for him to support Sudip's study.

Hence, SHIKSHA FOUNDATION has taken an initiative to support **Sudip's** education. In a recent conversation with this family, our team found that this family has a very unstable earning due to post covid-19 effect and their very little savings have also flew-up. This Covid-19 has already impacted countless lives. Pradip Saha's family is also one of them.

SHIKSHA FOUNDATION has been supporting Pradip Saha's family for the last few months but still, there is further support required for **Sudip's** education and survival of this family and your little support towards this family can be a great help.

This support to a family like this is only possible with the help of people like you.

Thank You!!!

Note - There are other families too who are being supported by SHIKSHA FOUNDATION.
